ESTATE

Don Maximiano Errazuriz founded Viña Errazuriz in 1870 in the Aconcagua Valley, 65 miles north of the capital, Santiago. Recognizing that this valley, with its hot, dry summers and moist Pacific Ocean breezes, was ideal for growing grapes, Don Maximiano sent for the finest clones from France and with tenacity and perseverance transformed this barren land into a world-class vineyard. Today, the tradition of quality lives on with Don Maximiano's descendant, Eduardo Chadwick.

WINE

Introduced with the 1983 vintage, Don Maximiano was among the first of the new generation of "Super-Chileans." The 2015 is composed of 67% Cabernet Sauvignon, 15% Carmenere, 8% Malbec, 7% Petit Verdot, and 3% Cabernet Franc.

VINEYARD

The Don Maximiano vineyard is located in the Aconcagua Valley and the oldest among them are Max I, Max II and Max V blocks. The region has a long dry season with moderately warm summer days cooled by the soft evening breezes that enter the valley from the Pacific Ocean. The Cabernet

Sauvignon and Carmenere vines were planted in 1978 and 1993, respectively, while the Petit Verdot was planted in 1999. The three vineyards that contribute grapes for Don Maximiano Founder's Reserve are planted on north or northeast facing hillsides with 5°–25° of slope. The soils are volcanic, colluvial and piedmont (Max I and II) or alluvial (Max V) in origin, with good drainage conferring low to moderate vigour.

"Very refined and pretty with tight polished tannins and a linear and fruity mouthfeel. Medium body, precise and focused."

"The 2015 Don Max is on another level and is a world-class wine... sensational notes of crème de cassis, black raspberries, crushed flowers, and subtle background oak. With full-bodied richness, impeccable balance, fine, ripe tannin, and a great finish, it's going to benefit from a year or two of bottle age and drink beautifully for at least a decade."
