

Barolo Le Vigne 2015

SANDRONE

Barolo

ESTATE

Sandrone's wines are sometimes described as straddling the modern and traditional styles in the region: elegant, attractive and easy to appreciate right from their first years in bottle, but with no less power and structure than traditional Barolos.

ANDRONE

WINE

Le Vigne is a wine created from four different Nebbiolo vineyards, each of which brings its own contribution. This union generates an exceptionally complex wine that is round and harmonious on the palate, with fruity and spicy notes, and this approach of blending together plots is in fact the traditional one in Barolo.

VINEYARD

The first vineyard, Vignane, is situated in the historical part of the Barolo appellation and shares many characteristics with Cannubi. The Merli vineyard is located in Novello, which produces wines that are earthy and robust but with good aromatic complexity. The third vineyard, Baudana in Serralunga d'Alba, gives the wine additional depth and richness. As of 2011, Le Vigne also includes fruit from Villero, a newly acquired vineyard in Castiglione Falletto. *Grape Variety:* 100% Nebbiolo

WINEMAKING

Fermentation: Each vineyard is vinified separately, and after destemming and light crushing, the must is covered with CO2 for a gentle warm maceration of approximately a day. Alcoholic fermentation begins about 24-36 hours later from native yeasts. A gentle maceration takes place in upright open-top steel tanks for the first 7-18 days of alcoholic fermentation. Immediately after alcoholic fermentation, which takes about 28 days, malolactic fermentation takes place in 500-liter French oak casks.

Aging: The wine is aged in these casks (25% new) for 24 months.

VINTAGE

The year 2015 was characterized by a period of extraordinary heat, followed by a milder period that allowed the perfect maturation of the grapes, giving the wines generosity, balance and harmony. Seven weeks of extreme heat from the last week of June to August 14 were ended by a series of strong storms that rapidly brought cooler temperatures for the near-perfect maturation during the last 10 weeks of vegetative cycle.

JAMES SUCKLING

"A tight and focused Le Vigne with strawberry, orange-peel and floral aromas and hints of hazelnuts."
