ABOUT PONZI VINEYARDS

For over 50 years, Ponzi Vineyards has had the honor of being Oregon wine country's most influential pioneer and contemporary standard bearer. Old vines, organic viticulture, and an uncompromising dedication to excellence distinguish Ponzi as the premier winery in Oregon.

THE WINE

Situated along the Northern ridge of the Chehalem Mountains, the Laurelwood District boasts ancient soils of fractured basalt layered over with a fine, windblown sediment called loess. A decade-long effort by the Ponzis, alongside their neighbors, has resulted in the recognition of Oregon's first soil-based AVA, the Laurelwood District.
