# The Newest Addition to our expanding portfolio of spirits...

New Alchemy Distilling is nestled in El Dorado County, in the foothills of the Sierra Nevada Mountains. Owned and operated by distillers Matt Sweeny and Jason Somerby, both medical doctors by training, the idea for New Alchemy was conceived in a research laboratory, where the two founders first met.

Matt and Jason combine both artistic and highly technical skillsets to develop new approaches to traditional spirits. The neutral spirit used in the gins and the vodka are distilled in-house from local wine. The botanicals in the gins are hand sorted, weighed, and ground, then precisely extracted by vapor-path distillation using a unique still they designed and built. The vodka undergoes a proprietary technique to further purify the spirit until it is bright and crisp.

They believe that everything made at New Alchemy is an expression of themselves, and they taste every new batch, no matter how small, in order to make sure they are proud of every bottle. The New Alchemy Distilling family invites you to Drink Something New®.

Classic Umbrian wines with a surefire spot on the “best value” list anywhere

## LA CARRAIA **UMBRIA, ITALY**

La Carraia was born in 1988 as a collaboration between the Gialetti family, expert viticulturists in Orvieto, and the Cotarella family, of Antinori fame. The history of Orvieto goes back to Etruscan times, and La Carraia enjoys some of the oldest terroir in Italy. At the same time, La Carraia continues to innovate and refine the purity of their wines.

Edoardo Gialetti and Riccardo Cotarella grew up in the vineyards, and in the late 1960s, Edoardo became a prominent figure in the hospitality industry as hotel and restaurant owner, exposing him to an international array of great wines. The family legacy continues today, with Edoardo’s sons Mauro and Marco now joining him at the winery.

# Welcome to VNY

A legendary producer of natural wines in the Loire Valley

## DOMAINE PITHON-PAILLÉ LOIRE VALLEY, FRANCE

Jo Pithon started his famed domaine in 1978. His parents were winemakers in Anjou, and Jo has done as much as anyone to lift the appellation, and the Loire Valley as whole, onto the world stage. His focus on dry whites, now commonplace, was very innovative in the last two decades of the 20th century. He was also at the forefront of organic farming, the use of indigenous yeasts and the rejection of sugar and acid additions. Pithon works with a small handful of biodynamic growers – just one farmer for Grololo and another for the Mozaik Blanc – to create some of the freshest and most soulful wines in France. As he nears retirement, Jo has brought on the youthful and talented Adrien Moreau to help make the wines. Adrien is a rising star in the Loire Valley, and under the tutelage of a true master, he is bound for even more excellence.

# FEEL GOOD ABOUT WHAT YOU DRINK.

---

Watching our communities come together has been a radiant source of light in these dark times. It's far from a surprise though. We are New Yorkers. It's what we do. Vintus New York has pledged support to our friends in need, and we are committed to continuing until we can once again sit around a table and share our passion.

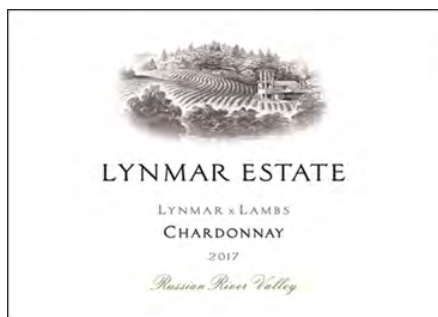

We have two amazing wines, which until recently, were among the house pours at some of our favorite restaurants in the City: The Lamb's Club - a Theater District institution that dates back to 1874, and The Catch Hospitality Group – a national organization known for it's high energy hospitality and delicious American fare.

*For each of these wines, we will be donating \$50 per case to the Restaurant Workers' Community Foundation, as well as supporting Catch's Employee Relief Fund.*

Donations go directly to those in need, and those on the front lines of the fight — 50% for direct crisis relief to individual restaurant workers, 25% for nonprofit organizations serving restaurant workers in crisis and 25% for zero-interest loans for restaurants to get back up and running.

## **Lynmar Estate "Lynmar X Lambs"**

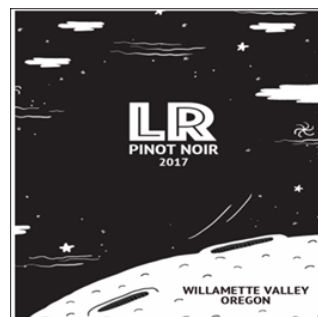

Russian River Valley Chardonnay 2017  
\$480 NET 12x750ml (Limited Availability!)

In a unique collaboration, The Lambs Club (former) sommelier A.J. Ojeda-Pons and Lynmar winemaker Peter Soergel together handcrafted this Chardonnay utilizing the excellence of Lynmar Estate to parallel Chef Geoffrey Zakarian's cuisine. This vibrant cuvee blends two of Lynmar's iconic estate vineyards, Quail Hill and Susanna's. Built for elegance, about 25% sees new French oak, and a portion is aged in concrete. Indigenous fermentation is also used to showcase the beauty of the estate and it's spectacular vineyards.

## **Ponzi Vineyards "LR"**

Willamette Valley Pinot Noir 2017  
\$192 NET 12x750ml

LR is a true Willamette Valley blend – some fruit from the Yamhill Carlton, Eola-Amity, and Chehalem Mountains AVAs. Here are some tasting notes that winemaker Luisa Ponzi jotted down: Aromatics of blackberry, cinnamon, dried cranberry; flavors of strawberries, thyme and red cherry and exotic spice. The space-age label and nod to the classic David Bowie song really makes the grade. The wine sees new French oak, and a portion is aged in concrete. Indigenous fermentation is also used to showcase the beauty of the estate and it's spectacular vineyards.

-------------	-----------------	------	------------	-------	---------	--	--	--	----------------

*La Source Gabriel is the family project of Régine Sumeire and her nephew Roger Blanc-Sumeire. Régine is considered a pioneer in Provence, both for entering a mostly male dominated profession in the mid-1980s, and for helping develop the pale hue on which the region now rests its identity.*

		<i>Luisa Ponzi meticulously selects lots of Pinot Noir from high elevation and cooler sites to preserve acidity and brightness. Perfumey aromas of lime blossom and rose petal make this a rosé you can drink, or just dab on the wrists and neck.</i>						
06300718-01	Wilde Farm Fox Hill Dolcetto Rosé	2018	12x750ml C	\$196	\$16.33			Available Now!
		<i>Dried rose petals, orange rind and lavender are hallmarks of this Italian variety by way of Fox Hill Vineyard in Ukiah, California. A passion project of Loren Grossman, a Russian-American Jew raised in the Marche of Italy, this Dolcetto rosé speaks to the playful nature of Italian varieties, the simple pleasure of wines made for the table, and the wild nature of the Californian spirit.</i>

		<i>This Cabernet Franc is a blend of fruit from volcanic-laced Camino Alto in El Dorado County and the sandy soils of the Campos family vineyard in Contra Costa County. Native ferments and neutral oak mean this is a glou glou style light red / dark rosé with an unabashed savory streak to compliment the strawberry core. It pairs great with tacos, but can easily be enjoyed on it's own.</i>

		<i>Sheldon Hills Vineyard, affectionately known as "el Jamon" because the vineyard is shaped like a ham, is situated at the northeastern most corner of Lodi in the Sloughouse AVA. Pale translucent pink in the glass with aromas of strawberry and lime blossom. The palate gives way to fresh rhubarb, strawberry and thyme with a dry and crisp finish. It is perfect on its own as a warm weather aperitif, or paired with salads, grilled fish and light pastas.</i>

Brut Rosé Majeur shines with freshness on the palate, offering immediate pleasure and well-balanced flavors.</i>

# COLLECTIBLE BORDEAUX

Christian Moueix and Château Margaux were among the small group of producers that VINTUS launched with in 2004, and our approach has remained the same since then: to establish deep relationships with great producers. In the time since we have started with Christian Moueix' Château La Fleur-Petrus, it has skyrocketed to become one of Pomerol and Bordeaux' top collectibles, and is likely the most highly sought after wine from Bordeaux that is sold on an exclusive basis in the United States. Château Malescot Saint-Exupery in Margaux is a relatively small left bank property, and the wines are snapped up every year by buyers who appreciate their quality position and consistent value. Our relationship importing Quinta do Noval has led us to interesting and little imported wines in their company's Bordeaux portfolio. And on and on.

Bordeaux can be a misunderstood region. We simply look at it as any other great wine producing region: we want to work with people who have a deep connection to their estates, and a beautiful vision of how they should work to make extraordinary wines that transmit their sites.

## GINRAW Barcelona, Spain

### ESTATE

GINRAW is a super-premium gastronomic gin that encompasses the avant-garde culinary and design creativity of its home city of Barcelona. A masterpiece of collaboration between four masters of their craft: a Chef, a Sommelier, a Mixologist and a Master Parfumeur. Each bottle is individually numbered, dramatically expressive and has crystal-clear precision of aromatic character, personality and body. GINRAW is conceived for discerning palates. It's a wonderfully versatile gin and all its nuances are revealed when it's drunk neat or on the rocks, in a G&T which enhances its freshness, or as the basis for the most creative cocktails. It has also been developed so that its richness of aromas and flavors is a perfect complement for gourmet pairings and sophisticated culinary creations.

### DISTILLATION PROCESS

GINRAW is produced using a unique combination of 2 distillation methods; traditional distillation in copper stills and innovative low-temperature distillation using Rotoval. Firstly, a careful selection of the best juniper berries is distilled in copper stills to create the pure base spirit that defines the heart of GINRAW. Secondly, a balanced combination of fresh Mediterranean and exotic botanicals are left to macerate between 4 to 10 days. Thirdly, each botanical is individually distilled at the lowest-temperature for evaporation to occur (75°F instead of >180°F) using Rotoval, which preserves the natural essence and captures the freshness and most delicate aromas of the botanicals. Fourthly, the botanicals are precisely combined to create the coupage. The balanced and precise coupage defines the aromatic character and personality of GINRAW and it's the result of more than 40 recipes. Lastly, the juniper base spirit and the coupage are blended to create GINRAW.

**ULTIMATE SPIRITS CHALLENGE**  
NO SHORTCUTS. JUST HONEST, IMPARTIAL JUDGING.

**EXCELLENT, HIGHLY RECOMMEND** "Very citrus forward with lime leaf, lemon curd, bergamot orange over a core note of juniper and bittering roots. A fresh and modern gin, this would shine in tonic or could be stirred into a martini. No twist necessary." Cocktail Recommendation: Negroni; 4 Stars, Very Delicious
