WINE

MAX this is one of the world's great values in quality Cabernet Sauvignon and, beyond that, a Cabernet that utterly reflects where it is grown. A perfect package of fresh and savory fruits and spices within a frame of juicy and supple tannins that offer both pleasure and structure.

VINEYARD

Soils: Located in the interior of the valley, the vineyard soils have a predominantly silty texture and are of colluvial origin

Farming: Environmentally friendly processes include using gravity instead of pumps to move wine, controlling temperatures with wind in underground ducts to avoid use of air conditioning, and using solar panels and special window glass to save energy.

WINEMAKING

Variety: 100% Cabernet Sauvignon

Fermentation: Handpicked, sorted, destemmed, crushed and fermented in stainless steel tanks.

Aging: 12 months in French oak barrels, 30% new

Alcohol: 14%

VINTAGE

The 2019 season was dry and warm. Nonetheless, the absence of rains ensured the splendid conditions of grapes. The harvest was earlier as this was a dry season. The vineyards' quality was demonstrated once again given the climatic fluctuations, droughts and high temperatures, delivering grapes of excellent sanitary conditions and superb concentration, in benefit of preserving the aromas and acidity of the wines.

TASTING NOTE

MAX Cabernet Sauvignon 2019 has a deep and clean claret red colour with ruby shimmers. The nose has notes of strawberries, cherries and some blueberries, accompanied by a soft tone reminiscent of mint, cloves, hints of rosemary and pastries. The palate is predominated by red fruits such as cherries, cassis and bitter chocolate. It is a wine of great structure and juiciness with fine-grained and polish tannins, crowned by an excellent persistence.
