

MARIETTA CELLARS

Winemaker Scot Bilbro has been at the helm of Marietta since 2012; his father, Chris Bilbro, founded the winery in 1978.

Angeli Zinfandel 2019 Anderson Valley, California

ESTATE

Starting with only a handful of purchased grapes in 1978, Marietta Cellars has been a standout winery in Sonoma and Mendocino since the very start. Founded by Chris Bilbro, a Sonoma native with winemaking roots dated back three generations, Marietta rose to prominence with its revolutionary Old Vine Red, a California red blend that essentially created the category. The winery has slowly expanded its estate holdings over the past thirty years, evolving into a beacon for high quality, balanced Cabernet Sauvignon, Zinfandel, and Rhône variety blends.

WINE

Marietta Cellars sits at the entrance to a small canyon off Alexander Valley. Known as Angeli Ranch after the family who originally settled there in 1886, the property's vineyards connect gravel swales from the Russian River to terraced knolls invisible from the valley floor. The extremes of this site create a wine that is powerful but has surprising elegance and clarity.

VINEYARD

The Angeli Ranch was sold to Chris Bilbro in 1990 by Viola Angeli, whose family had originally settled the land in 1886. When Viola was ready to sell the property, she offered it to Chris Bibro because he had purchased the grapes from the ranch for many years and always visited with Viola regularly. The Angeli Zinfandel takes its name from her family and exemplifies the cool effect of these unique vineyards in a bright, tense, and stony expression of Zinfandel.

Farming: The Angeli Zinfandel 2019 is made from 100% estate fruit, all of which is organically farmed

WINEMAKING

Variety: 100% Zinfandel

Fermentation: A unique approach of cool fermentations and 15 months of neutral barrel aging emphasize freshness in the Angeli Zinfandel.

Aging: 12 months in neutral barrels

Alcohol: 14.8%

VINTAGE

The 2019 Harvest brought another fantastic year of smooth weather with a slow paced, even growing season. Temperatures were a bit cooler than average, leading to picking a week or so later than typical norms. As per the recent Northern California pattern, fire showed up in late October adding to the stress of the season. However, grapes were picked by then and the only added excitement was power outages and evacuations.

Robert Parker
WINE ADVOCATE

95

"The 2019 Angeli Zinfandel has a medium ruby color and elegant perfume of white peaches, white pepper, tea leaves, licorice and wild berries. The palate balances intense, ultra-perfumed fruit with loads of lift, and it finishes long and full of flavor. This is notable for its stellar price-to-quality ratio." - E.B., 6/2021
