WINE

This Cabernet Sauvignon is varietally pure with a linear structure and well-integrated benefit of light oak contact with an overall fresh fruit profile.

VINEYARD

Soils: Grown in the gravel-rich soils of the Remolinos vineyard, part of the Agrelo appellation, located at nearly 3,500 feet in elevation.

Farming: Certified sustainable and vegan. Minimal machinery is used – there are no tractors in the vineyards, and all fruit is hand-picked and gravity fed in the winery. Sprays are minimal and at organic levels, irrigation is drip, and all water at the winery is re-used. The winery encourages natural biodiversity, such as lechuza owls which prey on vine pests.

WINEMAKING

Harvest: The grapes are selected for their balanced fruit profile.

Variety: Cabernet Sauvignon

Fermentation: 4-5 days of cold soak was followed by 8-10 days of alcoholic fermentation and MLF in stainless steel tanks.

Aging: This Cabernet Sauvignon is varietally pure with a linear structure and well-integrated benefit of light oak contact with an overall fresh fruit profile.

Alcohol: 14.5%

"Nice combination of ripe berries with some fresh and dried herbs, such as thyme. It's medium-to full-bodied with medium round tannins and a delicious, fruity finish." - JS
