Rio Pinot Grigio 2021

Venezie, Italy

ESTATE

Rio pays homage to the picturesque side canals in Venice, along which quaint bars bustle with life as city goers settle down for a glass of the world-renowned Pinot Grigio, accompanied by an antipasti, a salad, or light seafood. Let this outstanding Pinot Grigio, dry, crisp and refreshing, momentarily transport you to these canals in the "City of Water."

WINE

The fruit for this Pinot Grigio is sourced exclusively from the Tommasi Family's hilltop vineyards in Castelnuovo del Gara. Located south-east of Lake Garda on glacial soils, these vineyards are perfectly suited to retain the fruits' natural acidity while allowing for slow flavor concentration.

VINEYARD

Soils: Glacial origin

Farming: All vineyards are farmed using sustainable farming methods, notably the absence of pesticides

WINEMAKING

Harvest: Mid August, in the night to preserve acidity and aromatics

Variety: 100% Pinot Grigio

Fermentation: In temperature controlled stainless steel tanks, lasting 8 days

Aging: 3 months in stainless steel tanks

Alcohol: 12%

TASTING NOTE

Rio is a delicate and soft wine with a bright straw yellow color with a green shimmer. On the nose ripe fruit, with typical hints of tropical fruit. In the mouth it is full and smooth, harmonious and pleasantly fruity, with an elegant aromatic persistence.

FOOD PAIRING

A fine aperitif, Rio is also a superb match for seafood salads, meat or fish based appetizers. It's bold flavors and bright acid also stand up to lighter preparations of pork and chicken.
