

TENUTE BOSCO

ETNA BIANCO 2022

Etna DOC, Italy

ABOUT TENUTE BOSCO

Tenute Bosco's vision is dedicated to Mount Etna. Inspired by the natural beauty and respect for this terroir, winemaker Sofia Ponzini finds a perfect balance between ancient traditions and modern technology. Featuring a white, rosato and two reds, the wines have found quick international acclaim for their simultaneously ethereal yet focused style.

THE WINE

Tenute Bosco's Etna Bianco is pleasantly persistent, with an appropriate balance of acidity and minerality. The wine is a careful selection of historical indigenous varieties from the vineyards of two contradas - Piano dei Daini and Santo Spirito.
