We Asked 10 Sommeliers: What Supermarket Wine Do You Secretly Love? (2026)

“If you’re shopping at boutique grocers like Whole Foods, you’re going to find better options even at lower price points! Since Whole Foods has a larger selection than smaller boutique options, you can often find entry-level wines from superstar winemakers like the Produttori di Barbaresco Langhe Nebbiolo for \$25.99 or the legendary E. Guigal Côtes du Rhône for \$18.49.”
