Pauillac, France

ABOUT ANSEILLAN

Anseillan has been a part of the Lafite-Rothschild estate since 1970. From the Château, this small hamlet can be seen on the eastern horizon at the top of a gravel ridge at the edge of marshes, forests and meadows. The debut 2018 vintage released in 2022, a more merlot-dominant wine, and an exciting opportunity to taste a unique component of the Lafite blend.

THE WINE

This wine grows from a unique terroir that has long been a part of Lafite's blend. The debut 2018 vintage released in 2022, offering a chance to taste this merlot-dominant wine on its own.
