R.D. 2007

Champagne, France

ABOUT CHAMPAGNE BOLLINGER

Bollinger is one of the rare Grande Marques that's still family owned. Known for its rich, elegant and polished style of Champagne, their outstanding wines are the result of rigorous attention to detail and incredibly labor-intensive practices that few houses are willing to undertake. Underscoring its excellence, Bollinger has remained British secret agent James Bond's Champagne of choice since 1973.

THE SPARKLING

The R.D. cuvée is the result of Madame Bollinger's grand vision. It was an innovative and spectacular cuvée for the time when the fashion was not for old Champagnes: an old vintage, recently disgorged and with an extra-brut dosage. Releasing it promptly after disgorgement captures both the remarkable complexity and extraordinary freshness in the same glass. Fermented barrel by barrel, bottled under cork, and hand-disgorged, R.D. is one of Champagne's most original and important cuvées.
