ABOUT CHAMPAGNE BOLLINGER

Bollinger is one of the rare Grande Marques that's still family owned. Known for its rich, elegant and polished style of Champagne, their outstanding wines are the result of rigorous attention to detail and incredibly labor-intensive practices that few houses are willing to undertake. Underscoring its excellence, Bollinger has remained British secret agent James Bond's Champagne of choice since 1973.

THE WINE

Bollinger Rosé is a Champagne that quietly breaks the mold. First released in 2008 and made in limited quantities, it begins as Special Cuvée before a small addition of still Pinot Noir brings vibrant red fruit, a touch of tannin and striking depth. Pinot Noir is the heart of Bollinger, making up at least 60% of all wines and shaping the Rosé's bold yet elegant character. With one-third fermented in oak, aged for up to eight years and blended with reserve wines from magnums, this Rosé offers freshness, complexity and a silk-like texture.

"An enticing rosé Champagne, with a core of ripe and juicy raspberry, white peach and cherry, fragrant anise, cardamom and cumin, plus accents of slivered almond, candied ginger, blood orange peel and white blossoms. Mouthwatering and harmonious, with a fine, raw silk–like mousse and a long, long finish."
