### ABOUT FROG'S LEAP WINERY

Frog's Leap is a pioneering, family-owned winery in Napa Valley founded in 1981 by John Williams. Originally from Western New York and trained in viticulture and enology at UC Davis, Williams built the winery on a foundation of humor, heritage, and sustainability. Known for its dry-farmed, organically grown wines, Frog's Leap has become a leader in environmentally conscious winemaking, with achievements including silver certification & membership in International Wineries for Climate Action, CCOF certified organic, and TRUE Zero Waste certified. The winery's jour

### THE WINE

Flycatcher is Frog's Leap's California-wide red blend, celebrating diverse vineyards beyond Napa Valley. Sourced from like-minded growers across multiple appellations, it reflects the winery's core philosophy of balance, restraint and natural vineyard expression. Fresh, structured and food-friendly, Flycatcher evolves with each vintage while maintaining authenticity and drinkability.
