Yorkville Highlands

ABOUT MARIETTA CELLARS

Starting with only a handful of purchased grapes in 1978, Marietta Cellars has been a standout winery in Sonoma and Mendocino since the very start. Founded by Chris Bilbro, a Sonoma native with winemaking roots dated back three generations, Marietta rose to prominence with its revolutionary Old Vine Red, and has slowly expanded its estate holdings over the past thirty years, evolving into a beacon for high quality, balanced wines with unique character.

THE WINE

The Yorkville Highlands, nestled between the north end of Alexander Valley and the west end of Anderson Valley, offer a high elevation site with coastal influence and large diurnal shifts. The Game Trail Cabernet, sourced from this unique terrain, delivers an intense, fragrant, savory, and fresh style of Cabernet that demands food pairing. The mushroom on the label honors this pristine, wild place, where Chris Bilbro once hunted and searched for Chanterelles. Marietta's estate series showcases the estate's best sites, crafted for freshness, tension, and longevity.

Wine Advocate

"Lush, aromas of Huckleberry, cassis, and notes of sandalwood, on the nose; the flavors on the palate are lively, cranberry, red currants, red licorice, dried fennel, tobacco leaf, and mouth-watering tannins on the finish. Decant and enjoy paired with roasted squab, chanterelle mushrooms, herbed potatoes, truffle au jus."
