

RIPASSO VALPOLICELLA 2020

Valpolicella Classico Superiore DOC, Italy

ABOUT TOMMASI

Tommasi has proudly presided over Italy's Veneto region for over 120 years, with wines that are both renowned for their superior quality and consistently regarded as reference points for their respective appellations. As one of the single most influential producers in Italy, the winery is committed to sustainable practices and continues to craft each wine from 100% estate-owned vineyards.

THE WINE

This wine is made by refermenting the juice from the Valpolicella on the warm Amarone grape skins, in the typical "Ripasso" method, which imparts a rich character and personality to the wine. The grapes are sourced from three of most prestigious Tommasi vineyards: Conca d'Oro, La Groletta and De Buris.
