CHABLIS GRAND CRU LES PREUSES - DOMAINE 2022

Chablis Grand Cru, France

ABOUT WILLIAM FÈVRE

Starting with a modest seven-hectare plot in 1959, William Fèvre today is not only one of the most influential landowners in Chablis — possessing an impressive 70 hectares of vineyards (all vinified separately) — they also indisputably have the greatest holdings, including 15.9 hectares classified as Premiers Crus and 15.2 as Grand Crus. The vineyards boast an impressive average vine age ranging from 30 to 60 years and have been farmed organically since 2000.

THE WINE

From Fèvre's holdings towards the top of Les Preuses, this wine has excellent aging potential due to the soils, dense clay over limestone. A light touch in the cellar and a measured use of old French oak allow the quality of the vineyard to shine through in this round, yet elegant and intensely mineral wine.
