

DOMAINE WILLIAM FÈVRE

CHABLIS GRAND CRU LES PREUSES - DOMAINE 2023

Chablis Grand Cru, France

ABOUT WILLIAM FÈVRE

Starting with a modest seven-hectare plot in 1959, William Fèvre today is not only one of the most influential landowners in Chablis — possessing an impressive 70 hectares of vineyards (all vinified separately) — they also indisputably have the greatest holdings, including 15.9 hectares classified as Premiers Crus and 15.2 as Grand Crus. The vineyards boast an impressive average vine age ranging from 30 to 60 years and have been farmed organically since 2000.

THE WINE

Domaine William Fèvre Les Preuses offers excellent aging potential, thanks to dense clay soils over limestone. The clay retains moisture, while the limestone enhances drainage and temperature regulation, promoting complex, concentrated flavors. A light touch in the cellar and careful use of old French oak allow the vineyard's character to shine through, resulting in a round, elegant, and mineral wine. This comes from two sections of vines: one near Vincent Dauvissat's plot on the southern-facing part of Les Preuses, and the other on deeper soils, totaling 2.5 hect

TECHNICAL INFORMATION

VARIETY: 100% Chardonnay

ALC. BY VOL.: 13%

Vinous

"This is rich and interwoven with peach, yellow plum, earth, stone and oyster shell aromas and flavors. Tangy and mouthwatering, with terrific harmony and a long, citrus- and mineral-tinged aftertaste. Drink now through 2033."

-Bruce Sanderson, Wine Spectator
